

# Raising Dead Horses

*Key: A Author: Kevin Rogers Administrator: Touch Of Purple Services*

A Asus  
**CHORUS:** It Gets Better Than This – Oh

A  
That's What I've Been Told  
A Asus A  
Though It's Hard To Believe It  
A  
It Gets Better Than This

## VERSE 1:

B D E  
Hey, I've Got A Setback  
Dead Horse At The Racetrack  
Lost It All, Heard The Big Crack  
Cat o'nines Across My Back  
Open Wound And I'm Bleeding Blue  
Never Meant To Be Untrue  
Help Me In, What Can I Do?  
Spat Out Like Tobacco Chew

## VERSE 2:

B D E  
So... Can These Dead Bones Run  
From The Scorch Of The Hot, Hot Sun?  
Make A Heart Where There Is None  
Woe Is Me, I Am Undone  
C# E F#  
Lift Me Up From The Pit  
Miry Clay Where The Earth Split  
Death, Decay, It Will Not Quit  
And You Know It Smells Like It
